

# BALANCING AUTHORITY OF NORTHERN CALIFORNIA

RELIABILITY • COLLABORATION • SUSTAINABILITY

## BANC Commissioner Profile:

### **Martin Caballero** **Resource Planning & Development Manager** **Modesto Irrigation District (MID)**

Martin Caballero has been the Assistant General Manager of Electric Resources for Modesto Irrigation District (MID) for the last 6 months. Mr. Caballero's current areas of responsibility include electric generation, transmission and distribution switching, long and short-term planning and procurement of power and natural gas, and legislative and regulatory review and compliance (including NERC Reliability Standards and California's renewable and greenhouse gas initiatives). Mr. Caballero began his career at MID in 2007 in resource planning, where he has held several positions, including leadership roles.

Mr. Caballero has also served as MID's Commissioner for the Transmission Agency of Northern California (TANC) and the MSR Public Power Agency. Mr. Caballero holds a Bachelor of Science in Electrical Engineering from California State University, Fresno.
