BANC Chair Profile:

Shawn Matchim
Electric Utility Chief Operating Officer
City of Roseville

Shawn Matchim was appointed to Chief Operating Officer of Roseville Electric in April 2023. Previously, Mr. Matchim served in various executive roles with the electric utility including Assistant Director over Finance and Customer Care and Assistant Director over Power Resources.

Prior to rejoining Roseville in September 2019, Mr. Matchim served for over two years as the Assistant General Manager for the Transmission Agency of Northern California (TANC). Before his time at TANC, Mr. Matchim was the Regulatory Compliance Administrator for Roseville Electric and had been with the City since 2013.

Before joining the City of Roseville, Mr. Matchim worked for over 19 years with Navigant Consulting, Inc., including as a Director in the firm's Energy Practice. In that capacity, he worked on a range of consulting engagements related to power markets, generation and transmission development, litigation support, and regulatory matters in the electric utility industry. Prior to joining Navigant, Mr. Matchim also worked for the California Energy Commission.

Mr. Matchim graduated from California State University, Sacramento with a Bachelor of Arts Degree in Economics.
